Preparation Checklist

Before the Interviews

- [ ] Write one or two open-ended questions.
- [ ] Choose a location where you're likely to hear a range of perspectives.
- [ ] Plan how you'll introduce yourself and invite people to participate.
- [ ] Plan for how you'll record the interview.
- [ ] Practice with a friend or family member. This includes testing your recording equipment!

During the Interviews

- [ ] Ask every person the same questions.
- [ ] Listen more than you talk.
- [ ] Thank each interview partner.

After the Interviews

- [ ] Listen to the recordings.
- [ ] Reflect on what interviewees' different perspectives help you understand, as well as what new questions emerge.
